

Values Reflection Questionnaire

Below is a list of 12 core values that STEM professionals often say are personally important for connecting them to their chosen career.

Instructions: Please rate the importance of each value for connecting you to your career.

	Not at all Important			Very Important	
1. Achieving and sustaining financial security	1	2	3	4	5
2. Finding evidence-based solutions to complex problems	1	2	3	4	5
3. Serving the community	1	2	3	4	5
4. Pursuing a meaningful, impactful career	1	2	3	4	5
5. Satisfying intellectual curiosity	1	2	3	4	5
6. Promoting societal equity and fairness	1	2	3	4	5
7. Fulfilling a professional 'calling'	1	2	3	4	5
8. Creating transformative innovations	1	2	3	4	5
9. Advancing societal welfare	1	2	3	4	5
10. Upholding the dignity of the profession	1	2	3	4	5
11. Making valued contributions at work	1	2	3	4	5
12. Supporting a sustainable future	1	2	3	4	5

Select one value you rated as **very important**, and write 1-2 sentences about why this value is **personally important to you**.

(1) _____ is important for connecting me to my chosen career because...

(2) _____

STOP HERE. Do not proceed until instructed to do so by the facilitator.

The Workshop Facilitator will guide you through the scoring.

<u>Value Category</u>	<u>Given Ratings</u>	<u>Total Score</u>
1	____ + ____ + ____ + ____	= ____
2	____ + ____ + ____ + ____	= ____
3	____ + ____ + ____ + ____	= ____

Please place this sheet in the envelope with the rest of your workshop materials and return it to the facilitator before leaving the workshop. Your ID should be clearly marked on the envelope.
